'Jaw dropping' – The Times

'Unbelievable' – The Guardian

'I have never heard anything like it' – Simon Cowell

'It's difficult to put into words what I have just witnessed' – The Broadway Review

'That wasn't too bad' – Fiona Bone, MD (HCCC)

These are just a few of the accolades that have been pouring in since Hutton Cranswick Community Choir's stupendous debut live performance at the 24 Hour Singathon. No wonder the critics were so free with their acclaim. Who knew that after only a few months we could perform in eight part harmony, astounding the musical world with the invention and avant garde approach of our swashbuckling MD?

The Schoenberg-esque style proved an instant hit with the audience. Half way through, they were dancing in the aisles, writhing in a frenzy of flailing arms and legs. At least, I think that was what they were doing. Either that or heading for the exit??? No matter, we had a thoroughly good time, Sing, Sing, Singing at the top of our voices (even in the quiet bits). Our eagles soared high on the copious amounts of wind beneath them; we were all 'Believers'; our sky was truly blue and all we needed was a little love.

If the performance had been a cocktail, it would have a mixture of a smooth single malt, blended with a zesty, fresh lime, a dash of grapefruit, half a pint of stout, a raw egg, a touch of angostura bitters topped with a dollop of sour milk and grated horseradish. Mmmmmm, delicious. I think I'll ask Clive if he can start serving it at The White Horse - 'The Cranswick Crooner'. Bound to be a smash hit - just like our performance.

All in all, we had a tremendous evening and there were actually some very nice comments made. For our first ever outing, it was a very competent effort. Not absolutely perfect, but given some of the apprehension beforehand from some quarters, it went really well.

Fiona Wales and Fiona Bone

In fact, move over Kingdom Choir, our celebrated MD is eagerly anticipating our invitation to the next royal wedding!

If you enjoy singing, like good company, have a sense of fun, want to meet new friends, want to help raise money for charity or simply want to get away from 'er / him indoors for a couple of hours, why not come along to our rehearsals every Monday at 7.30 pm in the back room at The White Horse? We always love to welcome new members.

In harmony

Judging Day: Thursday 11th July

The date for judging our Yorkshire in Bloom entry is set for **Thursday 11th July 2019.**
The Royal Horticultural Society (RHS) Yorkshire in Bloom judges will be looking at three businesses and two youth organisations in the morning and the village in general in the afternoon. This is the opportunity to show what we can do.
In order to put on a good show for the judges as they travel round the village please can you decorate your entrances and front doors with hanging baskets or containers.

Our colour theme this year is the Yorkshire Flag: blue, green, yellow and white

Appeal for large containers
Our appeal for larger containers last month was very successful. Thanks to everyone who donated them. Three will be on show for the RHS judges: two at the bottom of the The Green by the benches and one at Megginson's turnpike. Others will be placed ready for 2020.

A well earned rest!

Planting
Thanks go to the Rainbows who planted up the troughs outside the Spar and to Playgroup who planted the troughs opposite the Methodist Church. Both groups braved the rain to complete the tasks.

Take Time Out

When our children James and Charlotte were growing up in the 1990's there was an American programme called 'Saved by the Bell'. The story revolved around a group of teenage friends. One of the leading characters Zach could use the 'T' sign, used in basketball, to call 'Time Out'. At that moment all the other characters would freeze. This would then give him a chance to work out his next move. Wouldn't that be a great gift in real life situations and conversations? Unfortunately, we don't have that power but, we can have a break.

If I had a pound for every time someone commented on my work as a Church minister and said "Ooh, It must be nice to work one day a week" I'd be a wealthy man. It also happened to my wife Kathryn in her job as a teacher when people would say "It must be nice to finish at 3.30pm." Whatever job we do or the situations we live in there is usually more than meets the eye. There are lots of things to be done behind the scenes.
But the one thing we all need to do is to take rest and re-charge our batteries or have a change of scenery.

Of course in centuries gone by workers were given leave to worship on special Saints days and Holy Days, which eventually became Holidays. So we have something to thank the Church for!

I was looking through some old photographs recently with my brother and sisters and reminiscing about the exciting family holidays we shared when we were kids. Going to exotic places like Blackpool, Skegness, Norfolk Broads and even Flamborough in a caravan!

This is traditionally the time of year when many people take the opportunity to have a holiday or just a day out. Driffield Trip Day will soon be here and has been part of the town calendar for many years.

Jesus needed an opportunity for a rest, in Mark 6:31 we read "*But so many people were coming and going that Jesus and the apostles did not even have a chance to eat." Then Jesus said, "Let's go to a place where we can be alone and get some rest."* If Jesus needed a change and rest how much more do we need it.

I hope that you enjoy a holiday or even just a day out. Wherever that might be I trust it will be time for renewal, reflection and re-creation. I am looking forward to a break in the summer to enjoy some time with my family, so that on my return I will feel refreshed and renewed.

God bless,

Robert

19/119 Minutes – **Resolved** – That the Minutes of the Meeting held on the 24th April, 2019 be approved (proposed Cllr Teare/seconded Cllr Alderton) and the Minutes of the Annual Meeting held on the 15th May, 2019 be approved (proposed Cllr Mrs Wilkinson/seconded Cllr Thompson). The Minutes were to be signed as a correct record.

19/120 Police Report – Updates for East Wolds and Coastal and Driffield/Rural for March, 2019 were noted.

19/121 Planning Applications:
Cllr Richardson left the room and took no part in the discussion regarding planning application **18/00455/PLF**.
Cllr Thompson took the Chair.

(a) **18/00455/PLF**: Erection of 17 dwellings with associated garages and infrastructure, Land and Building, Rear of 99 Main Street, Hutton Cranswick, East Riding of Yorkshire – Full Planning Permission – **Resolved** – not to object to the application. However, in taking note of the comments made by the Housing Strategy Team, the Council's strong preference was that there should be a minimum of 4 affordable houses on the site with appropriate support from commuted sums (proposed Cllr Teare/seconded Cllr Poolford).

Following the decision, Cllr Richardson resumed as Chairman.

(b) **19/01413/TCA**: HUTTON CRANSWICK CONSERVATION AREA - Fell Scotts Pine in rear garden, due to danger of falling branches and too large for garden, 14 Church Street, Hutton, East Riding of Yorkshire, YO25 9PR – Tree Works in Conservation Area – **Resolved** – not to object to the application (proposed Cllr Thompson/seconded Cllr Wilson).

(c) **19/01202/TCA**: CRANSWICK CONSERVATION AREA: Fell Silver Birch due to size, interference with neighbouring property and safety concerns in high winds at Holly Lodge, 29 Main Street, Hutton Cranswick, East Riding of Yorkshire, YO25 9QN – Tree Works in Conservation Area – **Resolved** – not to object to the application (proposed Cllr Mrs Mills/seconded Cllr Teare).

(d) **19/01410/PLF**: Erection of a general-purpose agricultural building to provide cover for existing concrete area, following demolition of portal building and construction of roof to existing washdown area at Manor Farm, Burn Butts Lane, Hutton Cranswick, East Riding of Yorkshire, YO25 9JS – Full Planning Permission – **Resolved** – not to object to the application (proposed Cllr Thompson/seconded Cllr Swan).

(e) **19/01389/PLF**: Erection of an agricultural building to provide a covered area at Manor Farm, Burn Butts Lane, Hutton Cranswick, East Riding of Yorkshire, YO25 9JS – Full Planning Permission– **Resolved** – not to object to the application (proposed Cllr Poolford/seconded Cllr Thompson).

19/122 Representatives, reports:

(a) **In Bloom** – Cllr Mrs Simpson reported the In-Bloom judging day was the 11th July, 2019, with special entries judged in the morning and the Village in the afternoon. The Team had received a generous donation of plants. Children from Rainbows and Playgroup would be assisting with the planting. An initiative of East Riding Voluntary Action Services (ERVAS) – Volunteen Green – supported by a group of youngsters from Kings Mill Special School must be congratulated on the work carried out in assisting the In-Bloom team.

Representives of the Team attended a Rail Tourism Event in Manchester which proved highly successful.

Less successful was the planned improvement work at the Station. Following demolition of both shelters, delivery of new lighting and preparatory excavation work, the project appeared to be at a standstill. No consideration had been given to the efforts of the In-Bloom Team, as spoil from some of the excavations had been dumped on planted areas, completely ruining the areas. Appeals for timber to manage the damage done had been successful.

(b) **Pond** – Following a meeting with Cllr Richardson, the Environment Agency had recommended a method of cleaning the pond. Cllrs Mrs Wilkinson, Poolford and Teare agreed to undertake the work as suggested.

19/123 Play Area – Cllr Thompson had done some research to see how improvements could be made to the play area. Cllr Thompson had visited a number of new play areas, made enquiries with various experienced suppliers and installers of play equipment and explored availability of grant funding – **Resolved** that Cllr Thompson seeks feasibility proposals for consideration at a future meeting (proposed Cllr Thompson/seconded Cllr Poolford).

19/124 Clerk's report:

(a) **Village Taskforce Walkabout - 30th April, 2019** – The schedule of work agreed at the walkabout was noted. In addition, the need for replacement road markings at junctions on the A164, in particular, at Hobman Lane would be reported to the Taskforce Service Manager.

(b) **Traffic Regulation Order on Hobman Lane** – It was noted a date had not yet been determined for the Order to create a 'no waiting' restriction on both sides of the carriageway. The restriction was intended to be operational at the same time as the existing restrictions (8.15 am to 9.15 am and 3.00 pm to 4.00 pm).

(c) **Election - 2nd May, 2019** – It was noted Councillors Mrs Evison, Lisseter and Owen had been re-elected as Ward Councillors for East Wolds and Coastal.

(d) **Hutton Phone Box** – Cllr Alderton reported on suggestions for refurbishment of the phone box. A final proposal was to be presented to the June, 2019 meeting.

(e) **Creation of a one-way system on Main Street, Cranswick and Hotham Road** – A suggestion from a resident to create a one-way system had been referred to the East Riding of Yorkshire Council (minute 19/101 refers). The traffic engineer considered that as Hutton Cranswick had three junctions into the village from the A164, this helped to ensure an even distribution of traffic entering or exiting the village. Making Main Street a one-way street from the A164 to the junction of Hobman Lane and Hobman Lane a one-way street from Main Street, past the School to the A164, with a new mini – roundabout at the junction of Main Street and Hobman Lane, was in the view of the engineer, not practical. The proposal would create traffic issues and potentially increase traffic speeds through the village.

(f) **Section 137** – It was noted the expenditure limit for 2019/20 was £15,078.00.

19/125 Allotments – Cllr Poolford reported the making good of overgrown vacant allotments was planned to be completed by mid-June, 2019.

19/126 HCRSA – Cllr Swan reported; arrangements for summer events had been completed; prices for the new build were under consideration and the cricket club equipment had been disposed of.

19/127 Centenary Wood – Further consideration was given to a quotation for a new footpath along the ridge of the north east zone – **Resolved** to accept the quotation (proposed Cllr Poolford/seconded Cllr Swan). A separate budget provision was approved (proposed Cllr Richardson/seconded Cllr Lock).

19/128 Communication Strategy – Cllr Mrs Simpson reported that messaging on Community Facebook had resulted in the return of a lost wallet to its owner.

Well what a fabulous first six months it has been for the Hutton Cranswick Community Choir!

The aim of the choir is to have fun, whilst raising money for local charities. There are no auditions; no need to be able to read music and everyone is welcome. There is no demand for people to attend every week as we realise that this is not always possible with the busy lives that most people lead. We do have a couple of forthcoming engagements which we are busily practising for, but again, these are entirely optional for the busy and the shy!

As seems to be the case for most choirs, we are always looking for more men to join our happy throng. Why not give it a try and come along and meet some new friends? You will be assured of a warm welcome and the chance of a drink afterwards to satisfy your hard earned thirst.

Every Monday at The White Horse.

Our Community Choir will perform on stage at the Village Show on Sunday July 28th at 2.30pm.

Please come and enjoy this musical extravaganza

Your Sports and Recreation Centre

We believe a more modern building would greatly enhance the facilities within the village and offer a greater choice of activities.
We are now planning to build this new facility for the village which will meet these aspirations. To do this we will need to raise £560,000. We are putting the project plan and detail in place so that we can identify the next steps for creating the new building.
We are seeking funding through various charities and trusts. We are looking locally to suppliers and trades people who are prepared to offer their expertise in creating our new building. Please get in touch with Mike Wardell on 07814 923699.

Scouts
Hutton Cranswick

BEAVERS

Beaver Scouts is the first and youngest section in the Scout Movement for 6 to 8 year olds. As a Beaver, your girl or boy will join their Colony in exploring the outdoors, delving into creative crafts, discovering their community, playing games and making friends.

We meet on Monday evening at the Methodist Hall, at the top end of Main Street. After a few weeks of attending Beaver Scouts, your child will be 'invested'. This is when they promise to do their best and help others.

We believe that young people learn by doing, so our Beaver Scout programme is bursting at the seams with a magnificent variety of activities which engage and challenge young people of all abilities. Scouting is more than just having fun: Beaver Scouts learn skills that are essential to their personal development and reaching their full potential.

A Report on WW1

Trenches in WW1 were very dirty places even though they saved the lives of many since they were excellent protection. They were dug by soldiers and they were 7 foot deep and 6 foot wide so they were hard to find. Sandbags (that were filled by soldiers) lined the walls to stop enemy bullets.

Trench Defences

In WW1 it took 450 men 6 hours to make 250 metres of trench. What was dug up was put in sandbags (life-savers) to line the walls of the trenches because they thought it was a waste otherwise. In that time machine guns were very complex to use and it took 6 men to operate them.

Uniforms

Uniforms in the trenches were very strict and as a result the only clothing they were allowed to wear were old clothes because they thought new ones were a waste. Rifles and bags had to be worn by soldiers at all times as were a short jacket and a 'mess dress.' The bags contained a knife and fork, a mug, a shaving kit and a food tin.

Animals

Cats and dogs were used for hunting rats in the trenches. These were often seen prowling around. The vast majority of horses, donkeys, mules and camels were used for transporting food, water, ammunition and medical supplies – although in most cases they died. Gas was detected by canaries.

Entertainment

In the trenches, there was not much entertainment since the soldiers were working most of the time. Occasionally, they played cards and did magic tricks.

By **Harlan** in Year 6

WW1 Report on Trenches

During World War One, soldiers needed a method for protection so trenches were developed. Soldiers spent six hours to dig around 250 metres of trench warfare land. You might think that's a lot but it isn't when it took 450 men to dig. They constructed sandbags so wouldn't be shot when peaking. This would hold enemy fire but not the revolting diseases and foul smells.

The days felt more than 24 hours for them. If you were caught sleeping on the scouting pole it was a serious crime because you are putting your friends on the line, you could be sentenced to death. (usually they would stand for one hour each.) It wasn't easy working in these places, most likely it was horrifying.

Animals/illnesses

The majority of rats regularly carried diseases around the trenches. Normally spreading diseases to soldiers therefore they could be diagnosed with the plague (a disease given by rats). The second most horrible disease is body lice.

From completing the research and seeing how soldiers were expected to live and work in the trenches, it is easy to say I would not have liked to work in one myself. My main fear would be contracting an illness from a filthy rat.

Were you a child growing up in the Second World War?

The Second World War

The Bulletin team, working with Hutton Cranswick WI and children from the primary school are looking to record experiences of villagers who grew up in the Second World War. If you grew up during this period and would be willing to share your experiences, then we are organising for a number of the older primary school children to help record your experiences. We are organising an afternoon tea on Wednesday 18th September at the WI Hall when the interviews will take place.
