# The Bulletin

## August 2024

In this edition we are celebrating 150 years of our village Primary School. We have produced a colour supplement in the centre of this issue. Every primary

school child will get a souvenir copy of this edition for their memory drawer.

Following the success of the Model Railway Show in October 2023—it makes a welcome return this November. The organisers have let us know early. Sue Moody runs the Dates for Your Diary pages and is the best person to check with, over event dates, to avoid clashes. However this only works if you let her know what you are planning early on.

As the summer term comes to an end all our youth groups have been celebrating young people's achievements. There is an excellent report on page 22 on Girlguiding. However these results can only be achieved through adults volunteering their time to create these opportunities. Please give some thought to volunteering.

How will you be celebrating Yorkshire Day on August 1st? Do let us know!

Thank you and have a great Summer—enjoy the Olympics—the weather may get better soon.

# Cranswick Telephone Box Book Exchange

Following on from my previous article in The Bulletin, I am pleased to announce the completion of the Cranswick Telephone Box Book Exchange.

An intensive period of work has seen the completion of the restoration (with the aid of my wife, Kate). It has been painted, glass and frames installed, and 6 tubes of silicone sealant used to make it weatherproof.

I have made and installed wooden bookshelves, and the adult sections are now full. There are separate sections for teens, young and old children which still have spaces.

The 'Grand' opening on Sunday was attended by many villagers (who also brought books) and the Red Ribbon was cut by Steve Richardson on behalf of the Parish Council. Very fitting as one of our lifelong villagers.

Recent donations have allowed me to start sections for children, teens and adults, but I need more books please (especially for children and teens). Novels and reading books are welcomed, but not Cookbooks, Manuals, Encyclopaedias etc.

Any donated books can be left in the Book Exchange in carrier bags. I will regularly pick up and sort through, so we have a range of different types of books.

## Guidelines for use

Feel free to take any book, but no more than two at a time.

Ideally exchange a book, but this is not compulsory.

Once you have read a book, please bring it back.

Ian Sibley-Calder

For those of us who are keen gardeners you will have noticed that there are a lot more slugs and snails around than usual. The wet weather we had over the winter and spring has meant that we are now overrun with them.

Every few days I have to check under my pots and I am finding several each time. For the sake of our hedgehogs and other wildlife I don't use slug pellets so I gather them up and take them for a walk away from anyone else's garden and throw them in the hedge.

I have often wondered what use are slugs and snails in the garden? As all they seem to do is eat all my treasured plants! If you are lucky enough to have a compost bin they will help to breakdown unwanted garden material and help to make good compost.

When we look back over our lives we may think that there are experiences that we could have frankly done without, as we cannot find any purpose or meaning to them.

With the grace of God's love in our lives we can find resolution and peace for even the most painful of experiences. This is not something that is going to happen overnight and we will need to allow God time to heal us. Painful and difficult experiences can give us that wonderful gift of empathy, and that is surely something that we can all benefit from.

Romans 8:28

And we know that in all things God works for the good of those who love him, who have been called according to his purpose.

*Dear Lord,*

*Thank you that you promise in the bible that all things work together for good. Help me to find the good in those painful experiences that I struggle with and help me to find resolution and peace.*

*In Jesus name Amen*

*John*

TV Chef Nigel Brown made another memorable visit to St Peter's Church on 28<sup>th</sup> June, showing more delicious ways to make sure that leftovers are not wasted.

This time he focused on BBQs – what to do with the odd bits and pieces that are left over when the charcoal has cooled and the rain has set in. "It's not about ingredients, it's about imagination," he told the audience and demonstrated his inventiveness by turning a couple of cooked spare ribs into a pulled pork roll with pickled cucumber. Then a couple of chicken drumsticks became a filling chicken and sweetcorn soup. Finally, a few cold burgers were transformed into a delicious cottage pie. He had also sent through some barbecue sauce recipes and at the end of the demonstration the audience were treated to hotdogs, served with one of those sauces.

"It's not about ingredients,  
it's about imagination,"

Nigel is not only an engaging speaker, but also a highly talented chef who takes the mundane and turns it into something special – in a way that doesn't need you to be a *Masterchef* contestant. In other words, he's inspiring and we hope very much that he will be able to take time out of his busy schedule to whet our appetites and stimulate our imagination again soon.

**150<sup>th</sup> Anniversary!**

We had an incredible week celebrating our 150<sup>th</sup> anniversary! In assembly we looked at images from the school in the past, one of which showed children celebrating the school's 100<sup>th</sup> anniversary.

We started the week of celebrations with a birthday party. The children enjoyed taking part in traditional and modern party games and then came together to share afternoon tea and a dance on the school field. The sun was shining and the children enjoyed a wonderful celebration!

*Aspire, believe, succeed - together we achieve*

**150<sup>th</sup> Anniversary!**

We continued the celebrations the following day and the children took part in our annual Fun Run, with a twist! This year to tie in with the 150<sup>th</sup> celebrations, the children could wear Victorian costumes or accessories if they chose to. The weather was on our side with the sun shining and the children loved challenging themselves to complete as many laps of the field as they could, with music playing.

It was brilliant to see the children enjoying themselves whilst exercising. Children also collected sponsorship for this event and money raised will feed immediately back into things that enhance the school experience for the children. We would like to express our thanks to the children for their sponsorship efforts. Collectively the children raised a magnificent £1378.70. Thank you to everyone involved, it is truly appreciated.

Aspire, believe, succeed - together we achieve

150<sup>th</sup> Anniversary!

Our 150<sup>th</sup> anniversary celebrations reached a climax at the end of the week with our Summer Fair celebration. The children opened the event with several amazing performances.

Our Year 4 children did a wonderful job performing a traditional Maypole dance and our Year 6 children performed a choreographed dance from their end of term production 'The Rocky Monster Show'.

Our singing club impressed with a performance of 'Freed from Desire' and the whole school joined in song for 'Lean on Me' and 'This is Me'.

We were immensely proud of the children for their performances and starting off our celebrations.

Aspire, believe, succeed - together we achieve

## 150<sup>th</sup> Anniversary!

The Summer Fair was extremely well attended: it drew in people from the community, past pupils and new starter children, who will be joining our school in September. The children enjoyed the unlimited access to the bouncy castles and great fun was had by all. There were many attractions, fun games and activities to take part in – something for everyone! The Friends of the School (FOTS) team, led by Danielle Rice (Chair) and Amy Thompson (Vice Chair) worked so hard in the lead up to the event to deliver such a memorable afternoon with additional attractions to mark the occasion. We are extremely grateful for the time and commitment they have given to making the Summer Fair a special and unforgettable memory for the children. We would also like to thank Scott Tomlinson and The White Horse for supplying the marquee.

We are also especially grateful to The Parish Council who will be gifting the children with a pen as a celebration gift to mark the occasion of the school's 150<sup>th</sup> birthday.

The children at Hutton Cranswick CP School enjoyed an eventful week celebrating the 150<sup>th</sup> anniversary of the school. The whole community came together at the Summer Fair to celebrate, share and mark this special occasion. **Thank you to all involved.**

## Book Club

There was a really good turnout for the

June meeting with 8 members attending and 2 who couldn't attend sending a score.

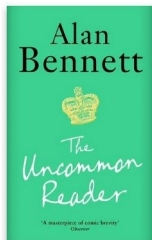

The book we discussed was *The Keeper of Happy Endings* by Barbara Davies. In the main people liked the book as a good story with a happy ending. A score of 8/10 was given.

The book for 30th July is *Miss Bensons Beetle* by Rachel Joyce. It starts slow but a surprisingly interesting read.

The book chosen for 27th August is *The Uncommon Reader* by Alan Bennett.

New members are welcome to come along to The White Horse at 7.15 to discuss any of the books mentioned OR in fact any book you

enjoyed. You would be made most welcome.

# Girlguiding update

It has been a busy, fun-filled term for Guiding in the village. All three units have been earning badges, trying new things and having lots of fun along the way.

Rainbows have grown sunflowers and made teepees for their Nature and Construction badges. They also completed their Camp Skills Builder and Outdoor Challenge badges including making s'mores – a Guiding essential. The girls had a brilliant time pond dipping on a trip to Tophill Low, discovering all sorts of creatures new to them.

Brownies have been learning about personal safety for their Own Zone badge, which included a walk around the village identifying dangers. They have learnt some *essential in the field* first aid skills for their Explore Skills Builder badge. They finished the term with a water fun night and yes, the leaders did get wet too! Two Gold Awards (the highest award for the section) were handed out to our older Brownies who are moving on to Guides in September

Ladies in Pigs taught the Guides how to make Greek inspired pork burgers. The girls earned their Olympics Paris 2024 challenge badge, with a series of team building and physical challenges, which included a trip to the Hutton Cranswick Bowls Club to learn a new sport – thank you to the bowls club members for their hospitality and tuition. No summer term is complete without a session of fire-lighting making sweet dampers as well as the essential s'mores.

The RNLI visited as part of the Mayday water safety challenge badge. We managed to round off the term with a very wet games night, and a picnic at Fraisthorpe Beach.

It is down to the commitment and dedication of all our leaders and unit helpers that we can deliver these meetings and activities for the girls in our units. But now we need your help to keep the units going...

**Were you once a Rainbow, Brownie or Guide yourself?**

**Do you want to help girls learn whilst having fun?**

**Does your daughter or granddaughter attend Rainbows or Brownies?**

We need new adult leaders for both Rainbows and Brownies as two of our current leaders will be leaving at the end of 2024.

Could you come forward to take Girlguiding on into the future and empower the next generation of girls?

Without new volunteers, the units will have to close.

Rainbows and Brownies gives girls the opportunity to play, learn and have adventures in a safe environment. Our weekly meetings include games, crafts and outdoor activities whilst having lots of fun. Could you help open up a world of possibilities for girls – one where they can do anything? You are welcome to come along to a unit meeting to see what we do and have a chat to the current leaders.

**Interested? Take a look at [www.girlguiding.org.uk](http://www.girlguiding.org.uk) to see what Girlguiding is all about.**

**You can also email Kathrine Adams at [huttoncbrownies@gmail.com](mailto:huttoncbrownies@gmail.com) for more information. We would love to hear from you!**

#### WHY 1ST AUGUST?

The date alludes to the regimental anniversary of the Battle of Minden on 1st August and the wearing of roses in the headdress on that day.

In the case of the Light Infantry, successors to the King's Own Yorkshire Light Infantry, a white rose.

The date is also the anniversary of the emancipation of slaves in the British Empire in 1834, for which a Yorkshire MP, William Wilberforce, campaigned.

## Report a local Issue

It is important that we all look after our village and surrounding areas. For this to happen we need to know about the issues.

To assist in this the East Riding Council has put in place a digital reporting system to allow you to report some of the most common complaints. Links and Phone numbers for the most common issues are all available at

We've been making the most of the lighter nights and better weather, by being able to play different games at Centenary Wood and on the green. We have been learning cycle

safety and maintenance, at different levels depending on age so they can all stay safe on their bikes and know how to look after them. Beavers and Cubs both had a bike ride from the SRA down towards Rotsea where everyone rode really well. Scouts ventured further heading towards Tophill Low and stopping for refreshments on the way back.

*Celebrating harvest time through live music and good food*

Many thanks to everyone who helped organise, sponsor, donate raffle prizes or attended the first Hutton Cranswick SummerFest - whilst the weather was not kind to us, I am truly grateful for all the support that we had. At our recent debriefing meeting the committee came away feeling very proud of all that was achieved by a group of volunteers! We raised the grand total of £1754 in addition local groups raised more than £600 - a fabulous result! We are now very excited to be planning for SummerFest 2025! Save the date, it's Saturday 14th June 2025.

However, before that we have live music from the LGs on Saturday 10th August - this band played for us last year so I was absolutely delighted that the band once again offered their services for free so that we can raise funds for the SRA. Tickets cost £10 (this includes supper) and can be purchased from Foreman's Garage or by texting me on 07984 657071.

Finally, the SRA committee are looking for someone to take on the role of secretary - this role involves producing minutes from the monthly committee meeting and annual AGM. It will also involve monitoring the SRA email account so IT skills are essential, but this role is not onerous so if you can spare a couple of hours a week and want to join our very motivated team of volunteers, we would love to have you on board.

Fiona Bone - SRA Chairperson 07984 657071.
