## The Christmas Tree Festival

Following the article in November's Bulletin the Village in Bloom team has decided to decorate two Christmas Trees for the Christmas Tree Festival in St Peter's Church. Come and see them from Saturday 7<sup>th</sup> December.

### Autumn/winter activity

While you are tidying up your garden ready for winter spare a thought for hedgehogs. Leave them some shelter from the winter weather - leaves, plants which have died down or some loosely piled logs so that they have some cover. Creating a wild area in your garden may attract them. It's a good idea to leave out some water in shallow bowls. Please don't use pesticides or slug pellets as they will kill off the bugs that hedgehogs like to eat. More information at:

[www.britishhedgehogs.org.uk](http://www.britishhedgehogs.org.uk).

### Volunteer help still needed in the following areas:

At the Station,

The ground bed in Church Lane, and

The four containers in Hutton Road.

Please get in touch with either Gina Simpson or Heather Teare if you are willing to spend an hour or two helping In Bloom

### AGM date

The Annual General Meeting of Village in Bloom will take place on Tuesday 14<sup>th</sup> January 2025 at 2.00pm at the Hutton Cranswick Bowls Club. This will be followed by a normal team meeting.

Christmas wouldn't be Christmas without a carol or two, and this year is no exception! On Saturday 7<sup>th</sup> December at midday, YWCC will be performing a few festive favourites at the SRA Christmas Fayre. Whilst audience participation is not compulsory, we will be inviting young and old to join in!

This whole event promises to be FUN for everyone. It starts at 10am with a Santa Run – this is aimed at little ones who want to see Santa in his Grotto – there will be a second Santa Run at 11am.

Our friends from Wolds Hedgehog Rescue will be selling amazing crafts and Christmas gift ideas in the hall and there will be lots of other stalls outside under the veranda.

The SRA will be selling food (including mince pies) and the bar will be open for a glass or two of mulled wine or whatever tittle takes your fancy! Sounds perfect to me!

In Harmony

Fiona

Some of you may remember when cheap digital watches became popular in the early eighties, they had an LCD screen and for some reason they beeped on the hour. I can remember sitting in church as a teenager and listening to lots of people's watches beeping one after the other, as we all had a slightly different time on our watches. It meant the service was nearly over which was helpful to know. However, the preacher looked perturbed as he still had one more point to make in his sermon!

In the business of life we can try and cram as much as we can into each hour, but do we actually achieve more by doing so or just end up feeling more frazzled? As I get older I realise that I can't physically do as much as I used to when I was younger and need to take things easier. However, I don't think I'm any

the worse off for that.

In Psalm 46:10 we are told "Be still and know that I am God". Finding the time to be still may be a challenge if we are used to being busy. However, we can all benefit from taking time each day to be still whether we have a faith or not. Paradoxically when I give myself a safe space to think things over I often find I save more time in the long run.

*Dear God , In the business that each day brings help me to spend time being still. I ask that you will walk with me whatever this day and the week ahead may bring and that your presence may restore my soul.*

Amen ,

Pastor John

## School Crossing Patrol - Hutton Cranswick

If you enjoy meeting new people and making a difference in your community, have you considered joining the school crossing patrol? Join our team where we facilitate the safe road crossing of children and adults within East Riding of Yorkshire.

This is a rewarding and respected role within the community that is appreciated by parents, children, and road users. The weekly hours make this an attractive opportunity for people who would like a job that can fit in around other commitments. The crossing times are 08:35 – 08:55 and 15:10 – 15:30.

Duties include:

- Help pedestrians cross the road safely on school routes.
- Provide a safe walking environment that encourages children to walk to school. Although basic knowledge of the highway code is desirable, full training and equipment will be provided, making this

an ideal opportunity for someone with customer service skills or experience working with or caring for children.

As this role involves working with children, this role requires an enhanced DBS criminal record check.

They are supporting Operation Snap to crack down on dangerous driving as well as speeding, by the use of dashcams, and other camera devices to capture dangerous driving in the act. So far since November last year when the scheme was launched about a third of all footage uploaded has resulted in action by the

Police against dangerous drivers. The scheme does provide people with free dash cams if they would like and agree to upload footage, but private camera devices can be used also. Beavers and Cubs have had a busy half term so far learning about and celebrating festivals from other cultures. They also had an evening of shooting, caving and the rope course at Raywell Scout Activity Centre.

Scouts have been learning DIY skills including brick laying! Beavers have taken part in activities to learn about recycling, whilst Cubs have done various science experiments. Scouts have been busy making a new Christmas board for the green for Christmas photo opportunities.

The whole group took part in Remembrance Sunday.

Most sections are full, but if you want to register an interest to go on our waiting list, then please email us on [cranswickscouts@gmail.com](mailto:cranswickscouts@gmail.com)

# Book Club

At the meeting on the 29th October the group welcomed 2 new members.

The book discussed was *The Last Thing He Told Me* by Laura Dave: Hannah marries Owen Michaels and becomes stepmother to his teenage daughter Bailey. Owen disappears leaving his new wife a message which just says "protect her". All calls to Owen go straight to his voice mail. The Police get involved as Owen's boss is arrested for fraud and Hannah is questioned. A bag of money is found hidden in the house and Hannah and Bailey soon realise that Owen is not who he said he was and they set out to find out who he is and why he's disappeared. Does Bailey hold the key to finding her Dad? It is an exciting book with a lot of twists and turns. Could be confusing for some as it does keep going to the past. It also explores the new relationship between Hannah and Bailey...a little explosive at times! After quite a bit of discussion the group scored it 7 out of 10.

The book for November 26th is *The Lamplighters* by Emma Stonex.

We also chose the Christmas Books.... *Little Women* by Louisa May Alcott and *The Christmas Book Shop* by Jenny Colgan. Members to choose one or both. A reminder...the December meeting has been moved to 7th January but there will still be a meeting on January 28th

The next council meeting is on Wednesday December 18 starting at 7.00pm. The meeting will be in the WI Hall. Details will be published on the village notice boards and website at least 3 days in advance of the meeting.

The meeting is open to the public and early in the agenda, the public and councillors may ask questions or make statements (limited to 3 minutes per person). For further information please contact the Parish Clerk.

**HUTTON CRANSWICK PARISH COUNCIL**

**Extract from the minutes of the meeting  
on 23 October, 2024.**

**24/250 Public Participation** – Cllr Bucknall asked if there was any feedback on the question whether the Brown Bin collection trial was to be expanded to properties east of the railway line. Cllr Bibb did not expect the trial would take in any additional properties. East Riding of Yorkshire Council ([ERYC](#)) priorities are adult social care and children’s services.

**24/252 Questions to Ward Councillors** – Flooding and sewage spills on Southgate – There was no further progress in resolving the issues following the site visit with parish councillors, ERYC and Yorkshire Water. Cllr Bibb agreed to try and progress the matter with Yorkshire Water through officers at ERYC.

**24/254 Planning Decisions** – The following decisions were noted:

**(a) 24/02261/PLF:** Erection of a two storey and single storey extension to side, following removal of existing shed, erection of a single storey extension to rear, installation of windows to both side elevations, construction of juliet balcony to rear and removal of chimney at Cang Carr Cottage, Watton Carrs Road – Permission Granted – 2 Conditions.

**(b) 24/02507/TCA:** HUTTON CONSERVATION AREA - Crown lift 1 no. Sycamore tree (T1) to 7 metres, to allow more light into the garden and property; and Crown lift 1 no. Silver Birch tree (T2) by 5 metres (over the roof of the house), due to the branches being in the close proximity to the roof at 8 Church Street, Hutton – Tree Works in Conservation Area – No Objections Raised.

**24/255 Planning Application:**

**(a) 24/02997/TCA:** HUTTON CONSERVATION AREA - Crown lift 2 no. Wild Cherry trees (T1 & T2) to 5 metres and crown thin by 10-15% to allow more light into garden; Fell 1 no. Pine tree (T3) due to 50% crown failure at 17 Mill Street, Hutton – Tree Works in Conservation Area - No objections were raised by the Council.

**24/256 Representatives reports:**

**(a) In Bloom** – Cllr Mrs Simpson reported the Yorkshire in Bloom results for 2024: -

Entry	Category	Award
Hutton Cranswick in Bloom	Large Village	GOLD
The Farm Shop Cranswick	Medium Business	GOLD
Hutton Cranswick Railway Station	Railway Stations	GOLD
White Horse Pub	Medium Business	SILVER GILT
James White Family Butcher	Small Business	SILVER GILT
SPAR Store	Small Business	SILVER GILT
Paul Harrison Cars	Medium Business	SILVER
Hutton Cranswick in Bloom	Sixty Somethings	YORKSHIRE ROSE DISCRETIONARY AWARD

The Chairman on behalf of the Parish Council congratulated all those involved from the village in the competition. The Judges' comments and plans for 2025 would be considered at the In Bloom meeting on the 5 November, 2024.

**(b) SRA** – The Committee continued to improve the facilities of the existing building whilst seeking funding streams to enable an extension to be built at some point in the future. Quotes had been received for the installation of a new heating system. Improvements to the disabled toilet, female toilets and a baby changing area were planned for completion by December. Consideration was being given to the installation of an electric car charging point.

Cllr Poolford reported that he had inspected the sports field after the recent heavy rain. The ground appeared to be in good condition with no signs of flooding or saturation.

**(c) Pond** – The annual clearing of the pond and an inspection of the tree on the island was in hand.

**(d) Book Exchange** – Recently, the stock of children's books had required to be replenished more regularly than usual; it was hoped that this was an increase in uptake and not anything malicious.

#### **24/257 Deputy Police and Crime**

**Commissioner for Humberside (PCC)** – Leo Hammond gave a summary of the work the PCC was doing to tackle speeding and road safety. The current Community Speed Watch Scheme operated by Humberside Police was to be reviewed, aiming to remove some of the shortfalls of the local policy and some operational restrictions. A 'Flashing Speed Sign' or SID's Grant scheme was available, where the PCC would match fund alongside Parish and Town Councils at 50% up to £5,000 for new portable flashing speed signs. A minimum of four locations had to be approved by ERYC's Traffic Management.

A solar powered 'Community Speed Camera' which could operate 24/7 was being trialled. Once the trial was completed and a policy created, it was intended to roll the cameras out to communities.

Operation Snap was an initiative to crack down on dangerous driving as well as speeding: this was the use of dashcams and other camera devices to capture dangerous driving in the act.

Mr Hammond was working with Safer Roads Humber to increase education regarding road safety in schools and wider communities and agreed to encourage the Police to enforce 20 mph speed limits as 20s, not as 30s.

The Chairman thanked Mr Hammond for his attendance and presentation.

#### **24/258 'No waiting at any time' restrictions** –

In response to receiving concerns from the public regarding visibility and obstruction, caused by cars parked around the bend on Hobman Lane and the junction of The Green, ERYC had proposed to introduce a new 'no waiting at any time' restriction around the bend at the junction with The Green and had asked for feedback from the Parish Council. Cllr Teare pointed out that the description of Hobman Lane was incorrect and was in fact The Green.

It was unanimously agreed not to support the proposal. It was recognised that at school drop off and collection times, there was increased parking around the school, The Green, Hobman Lane and indeed Main Street, which had made the flow of traffic more difficult, but made most drivers reduce their speed. The new restriction would mean drivers would likely park further down Hobman Lane, Londesborough Road and give an opportunity for some drivers to drive faster close to the school. There was also the questions of how the new restriction would be enforced and whether it was the best use of ERYC's resources?

**24/259 Sexual and General Harassment Policy – Resolved** to adopt the Policy as drafted and review and update the Risk Register.

**24/260 Topic for ERYC’s Overview and Scrutiny Team** – It was agreed to put forward a suggestion from Cllr Teare on ‘How to improve the attitude to local food and that food is produced locally for the benefit of the local communities’ as a topic for scrutiny, as part of the 2025-26 municipal year. It was noted by Cllr Bibb the East Yorkshire Local Food Network and Rural Tourism Network promoted the local food and drink sector in the East Riding.

**24/261 Centenary Wood** – Cllr Poolford had arranged a site visit with a contractor to consider the work identified in the Woodland Management Report. A costed programme of works, to include a proposal for replacement trees, was to be presented to the November 2024 meeting.

**24/262 Remembrance Sunday** – The programme for Remembrance Sunday previously circulated was noted. Cllr Teare would e-mail Councillors seeking support and help in delivering the arrangements.

**24/263 Footpath/cycle way from Cranswick to Hutton** – Following further discussion on the three suggested routes for the footpath, it was decided to explore the route from Eddlemire Lane to Hutton Road.

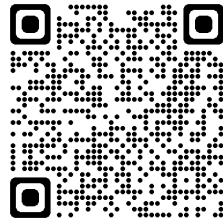

**24/264 Play Area** – Cllr Thompson had applied for Commuted Sums to support the cost of the Giant Swing. The table on the roundabout had been repaired.

**24/265 Garden Allotments** – Cllr Poolford reported: There were six vacant plots; the shared areas/vacant plots had been made tidy; rent was outstanding from 8 tenants and work on the roadside hedge and ditch was to be ordered.

**24/270 The Bulletin** – Topics for the next Edition: (a) Road safety and speeding (Cllr Teare), (b) Car parking (Cllr Teare) and (c) Recruitment of new members for the allotments (Cllr Poolford).

**24/271 Next Meeting** – 27 November, 2024 at the WI Hall, Main Street, Cranswick.

EAST RIDING OF YORKSHIRE

Aspire, believe, succeed - together we achieve

We are absolutely delighted with the outcome of our recent Ofsted inspection which took place during our 150th birthday celebration week. We know the children at Hutton Cranswick CP School are truly wonderful and the fact that the inspectors also recognised this, was a true credit to them all. Our children make school such a wonderful place to be and we are lucky to have them. We were exceptionally proud that the school has been graded as outstanding in the areas of behaviour and attitudes and personal development, as these areas are at the heart of all we do and underpin school life at Hutton Cranswick CP School.

The school graded as  
outstanding in the areas of  
behaviour & attitudes and  
personal development  
Ofsted Report June 2024

“ The Inspection area judgements of ‘Outstanding’ and ‘Good’ have been gained through hard work and a huge level of dedication by everyone in the school team. The Governors are extremely proud of the school, the staff, the pupils and their continued achievements.”  
Ray Sharpe (Chair of Governors)

The Inspectors said that the well-being of pupils is "at the heart of the school's values and ethos" and "relationships between adults and pupils are built on mutual respect and care".

We were pleased that the Inspectors recognised and commented on our curriculum being special and unique to our school as well as being accessible to all, they said that the school provides a "wealth of enrichment

activities". The inspectors were overwhelmed by how knowledgeable, polite, caring and respectful our children are; the strong understanding they have of the differences between people and how they appreciate the wider world and are encouraged to be "responsible and proactive citizens".

The report captured the warm, nurturing and encouraging ethos that defines our school. Our staff go above and beyond to create an environment where children want to do well and are cared for with relationships at the heart of all they do. Our heartfelt thanks go to the whole school community including our staff, children, parents/carers and governors. Whilst we are extremely proud of this outcome we are committed to continuous improvement. We will always keep striving to provide the best possible school experience for our children.

To find out more please contact Margaret Lonsdale on 01377 270872

The clubhouse is at the back of the White Horse Inn car park on Main Street, Cranswick.

So much has been happening at the SRA over this last month! We finally have new heating thanks to a grant from 'Do It For East Yorkshire' and it really has made an enormous difference. It is quiet and efficient! There is new seating in the bar area which is just awaiting cushions and paint! The ladies' toilets and the disabled toilet will be refurbished over the coming weeks with a baby changing unit added.

The revamped quiz proved to be very popular last month! So much so, that the one on Friday 15th November was a sell out! The objective is to make the quiz FUN for everyone - so if you want an enjoyable evening with excellent food let me know ASAP if you want to join us for the Christmas Quiz on Friday 20th December.

The Fireworks Fiesta on Sunday 3rd November proved to be a MASSIVE success. We sold out! In fact we could have sold double the number of tickets but for insurance purposes we have a cap on the number of tickets we can sell. Many thanks to the 32 people who volunteered to help make the event run so smoothly! The date for next year's Fireworks Fiesta - Saturday 1st November 2025! Our next fundraising event is the SRA Christmas Fayre on Saturday 7th December - whilst entry is FREE if you know anyone who wants to see Santa in his grotto, there is a £2 charge - tickets can be purchased from Foreman's Garage or by emailing [huttoncranswicksra@outlook.com](mailto:huttoncranswicksra@outlook.com). We would love it if the children could have a little run round the field beforehand!

Finally, the Friendship Coffee Morning are hosting a Festive Food Party on Wednesday 11th December – everyone is welcome! As well as food we have the singer Sandra Robson performing for us.

### Hutton Cranswick WI

In October we were entertained by the Tickton Tarts with a hilarious and informative talk on Memories of School Dinners. It took us all back to the days of coconut sponge with pink custard and the dreaded tapioca pudding! The competition was a USA traybake which was judged by the members after a tasting, yummy!

Butterfly Chocolate Experience, handmade chocolate company from Pocklington will be visiting us in November, hopefully with

samples.

School dinners to chocolate, what more can you ask!

Our next open meeting is on 14th January 2025 with Mike Dixon talking about Crime Writing. We would love to see any new members, if anyone is interested in joining, come along and try us out. Second Tuesday of the month. There is a varied program for next year. We have fun .....with cake , try us.
