The Bulletin

There were lots of fantastic events in the village over the Christmas period. Despite the cold windy weather about 25 hardy souls gathered around the Christmas Tree on the village green to sing Christmas carols on the Saturday before Christmas. The group moved over to the White Horse to continue the singing. The pub gave us a lovely welcome and tea and coffee were provided after the singing was finished, which was very welcome and for which we thank them.

Many thanks to all who supported the Shoebox appeal. Between the 2 churches, about 90 shoeboxes filled with goodies were sent. In addition, 3 bags of new knitted garments & blankets and many bags of clothing, bedding and footwear were donated along with £150. These will soon be on the way to Ukraine, via Jacob's Well.

The Christmas Tree Festival in St Peter's church attracted 44 contributions, including many

original creations. Pictures of a selection are included on pages 16-17.

The Cadenza choir provided another wonderful concert in St Peter's, finished off with wine and mince pies (though 90 minutes on a church pew is hard—an interval would be welcome).

2025 sees the 50th year of publication of The Bulletin. We are planning to celebrate this, including finding all the people who have been involved in its production. An idea under consideration is a tea party on the Green with family games—watch out for more details.

Last October our cover featured an autumn scene which was computer-generated. Some readers asked why we didn't use a real photograph? Well all you budding photographers, please send in your best images of local scenes to grace future covers!

Funded by Hutton Cranswick Parish Council and advertising, **The Bulletin** is produced and delivered monthly by our team of volunteers to every address in the village. If you need help with:

Deliveries – Gary on **07795 202559**

Diary Dates/written items – Sue M on **275333**

Design and graphics – contact Richard and for **Advertising** - Margaret via the Bulletin email.

When contacting our advertisers please tell them that you saw their advert in The Bulletin.

Contributions are always welcome. The Bulletin relies on contributions from local people to keep it as interesting and relevant as possible to life in our village. If you would like to send an item for

publication please email it to us, where one of the team will do their best to reply within 2–3 days. The Bulletin reserves the right to edit the layout of submitted articles. Guidelines for Contributors and details of Advertising Costs can be found on the village website: www.huttoncranswick.com under the Community Information tab.

A belated **Happy New Year** to all our readers. At the time of writing, it's a bit cold to do much in the garden, but now is a good opportunity to start planning for the coming year.

The Village in Bloom team is also in planning mood. May 8th this year is the 80th Anniversary of VE (Victory in Europe) day. The Knit and Natter Group has already obtained permission to put a display of

knitting at the station. Do you have any ideas about other ways and other places we might decorate with floral displays?

As Village in Bloom, our main emphasis will still be on planting perennials for sustainability and all year round interest. We will include some annuals as required for vibrant pops of colour.

For more information on Village in Bloom please contact: Gina Simpson at: ginasimpson@btinternet.com or on 270173 or Heather Teare at: heatherateare@gmail.com or on 270187.

Book Club

At our meeting on the 7th January there was a really good turn out despite the cold and frosty evening. We had a choice of 2 books: The classic - *Little Women* by Louisa May Alcott (scored 5.5) and *The Christmas Bookshop* by Jenny Colgan (scored 7).

The *Christmas Bookshop* is about a selfish young woman called Carmen. She has just lost her job and her older sister Sophia (who Carmen thinks has everything!!) arranges a job for her in Mr McCredie's dusty and run down bookshop in Edinburgh. Her sister has 3 children and is expecting a 4th but has a Nanny as she and her husband have high powered jobs. It is a delightful story, very lighthearted, funny in parts which keeps you interested throughout.

The book for 28th January is *Run Away* by Harlan Coben. The book chosen for 25th February is *West With Giraffes* by Lynda Rutledge.

We meet on the last Tuesday of the month, at 7.15pm, in the front room of the White Horse....if you are interested in books come along and meet us all.

Gwyn hangs up her Reader's Scarf

The service at St Mary's Church, Watton on 29 December marked Gwyn Southall's final service as a Licensed Lay Minister (Reader); a role she has held for sixteen years, though I know her ministry started many years before then.

I first met Gwyn in 2014 when I joined the Ministry Team. One of the first things I discovered was that we had both been licensed in August 2008, Gwyn in York Minster and myself in Carlisle Cathedral. It was the start of a wonderful friendship, and a joy in serving our six churches together. I quickly recognised her immense knowledge of the Bible, and her love for the Lord. However, I'm sure the Lord chose her for her character, for she is bubbly, fun, loud and great company, and has a great big heart, filled with love and care for people.

When Gwyn enters a room, you just know we're in for a special time.

Over the years I have been privileged to share so many great times with Gwyn. Think of the children of the MiniX pre-school group, who learnt their first bible stories from Gwyn, and are now grown up with their own families. And what about all the Crib services and the amazing nativity stories she's written. Children given a great start in the Christian life.

For Gwyn, people come first. Reaching out in prayer for those in need. Giving a word of encouragement to someone struggling. All part of serving the Lord. And who can forget her words of wisdom from the pulpit, as she preached from her love of the Lord.

Gwyn became a Reader because she was called by the Lord. From the very beginning her own love for Jesus has shone through. Over time she has touched the hearts of many, many people, passing Jesus' love ever onwards. Now, as she hangs up her Reader's scarf and retires, I'm sure the Lord looks down and says, 'Well done, my good and faithful servant.'

Retired Gwyn may be, but as her Spiritual Director reminded her, 'retired you may be, but your ministry goes on.' So, as 2025 begins, dear Gwyn, 'you can hang up your scarf, but you cannot hang up your heart.' May 2025 be a

good year for you and a great year for your ministry.' God bless, and thank you, thank you, thank you for all your years of service. May 2025 prove to be an amazing year as you see your ministry take off in new directions.

Love Trish x See you at The Office, soon!

ALBANIAN ADVENTURES

Mike Wardell is well known in the village for his work at the SRA. However not so many will know about the two years he spent training the police force in Albania.

Mike worked for 33 years in the local police force until he retired in 1997. During this time he had a range of duties including various training roles. In 1999 he responded to an advert inviting experienced police trainers to help develop the police force in Albania – he wasn't exactly sure what would be involved, but it sounded like an adventure!

Albania sits in the south east corner of Europe bordering Greece and the Adriatic sea. It is about the size of Wales and has a population of 2.4 million. From 1945 to 1991 it was ruled by a harsh communist dictatorship. The 1990s were a turbulent and lawless time, from which the country is steadily emerging. It was the poorest country in Europe, largely agricultural, with high unemployment and poor infrastructure. The culture was tribal and governed by ancient rules, such as permission to take personal revenge for a family killing. It was a male-dominated society where the women dug the fields

and ran the home while the men talked, planned and drank coffee.

So in June 1999, Mike and five others set off for Albania, joining seven other British trainers and around 150 other police from 23 countries. They found the local police service to be in a pretty poor state: for example new recruits were routinely given a gun but little or no training. There was little public respect for the police and they suffered a high rate of casualties. However the visiting officers found the Albanians welcoming and willing to learn: courses were provided in subjects such as traffic, C.I.D., border control and public order.

Mike stayed for a total of two years, broken into six week spells. By this time the country was developing quickly and beginning to embrace tourism. The visiting trainers established a course in basic policing and trained local staff to deliver it; the Albanians were very appreciative for all the help provided. Mike made many new friends among the trainers and the local people as well, and hopes for a return visit before too long.

It was great to see so many people at the tree light switch on back in December! Thank you to everyone that supported us, we made around £50 once all costs had been accounted for. Thanks to Great Driffield Radio for their support, Wolds Weekly for taking photos, The Tossers for their pizzas, and our own Spar shop for supplying mince pies for everyone.

We also took part in the Christmas Tree festival at St Peter's and we thought the whole Church looked fantastic!

Our young people all earned their treat of a visit to Jump Inc in Beverley before we broke up for the holidays. Here they jumped, bounced, leapt and had great fun!

In 2024 YWCC raised £2200 for Dove House Hospice and Dwarf Sports Association. This brings the total raised by the choir over the last 13 years to £28,288. We also help to raise money for other local charities such as being a part of the SRA SummerFest & the SRA Christmas Fayre.

In 2025 we will raise money for Cardiac Risk In The Young at our Music@MayLodge event on Saturday 28th June and The Brain Tumour Charity will be our nominated charity for our 14th anniversary concert on Saturday 6th September. The choir will also be running our 3rd ever 24 Hour Singathon – I did say after the second one that I would never do this again but I have been reminded that this was a really fun event that raised lots of money so.....never say

never! We will be organising this to raise funds for the SRA and more information will follow.

We have an extensive and eclectic repertoire, and we are always adding new song choices. Coming up this year we have: You Raise Me Up, The Climb, You Are The Reason & What The World Needs Now

Our weekly rehearsals take place at the SRA, they cost just £2.50, and you only pay for the weeks that you attend.

Do YOU enjoy singing?

Do YOU have a desire to raise money for charity?

HUTTON CRANSWICK PARISH COUNCIL

Extract from the draft minutes of the meeting held on the 27 November, 2024.

24/276 Questions to Ward Councillors:

(a) Cllr Bibb was to seek a reply from East Riding of Yorkshire Council (ERYC) with regards to an officer attending a future meeting of the Parish Council, to explain the proposal to introduce new 'no waiting at any time' restrictions on The Green/Hobman Lane.

(b) The Council had received information on speed indicator devices (SID), Do It For East Yorkshire (DIFEY) Community Grants and the Rural Partnership. The Council was to consider the use of SIDs at a future meeting.

(c) Footpath/cycle way from Cranswick to Hutton – A reply from ERYC's senior definitive map officer was noted. Cllr Ingham was disappointed that there had been no reply from Highways on the proposal of creating a new footway from the exit of footpath 2 onto Howl Lane to the entrance to the sports field.

24/282 Remembrance Sunday – Cllr Teare thanked all those that helped out at the Event. There were a lot more young people involved on the day, it was well attended and feedback had been positive. Similar arrangements would be made for Remembrance Sunday in 2025.

24/283 Public Spaces Protection Order (PSPO) – The PSPO for Hutton Cranswick relates to Fouling and in part states ‘*If within the Parish of*

Lynda Ingham recommended viewing the Christmas Tree display in St Peter’s Church. It was recognised that Janet Foreman had been at the forefront of making the arrangements for the display.

Melvyn Teare made the Councillors aware of a recent difficulty that the emergency services had in locating the Bowls Club, resulting in a delay in arriving to attend a medical incident. It had been suggested that a signpost for footpath 1 could be renewed and incorporate the direction of the Bowls Club. Cllr Sibley-Calder suggested using the What3words system to identify the Bowls Club’s location.

Extract from the draft minutes of the meeting held on 18 December 2024.

24/302 Public Participation – Mr and Mrs Woolley informed the parish council of their struggle to get action to resolve the sewage spills on Southgate. Despite continued effort involving Yorkshire Water, East Riding of Yorkshire Council (ERYC), the previous Member of Parliament, The Water Services Regulation Authority (Ofwat), the Consumer Council for Water and the local press, they were no nearer to reaching a satisfactory outcome with either Yorkshire Water or ERYC, accepting responsibility or offering a solution to the problem. It was becoming a serious health hazard for homeowners in the affected area on

24/307 Representatives reports

(a) In Bloom – The group had decorated and displayed two Christmas trees at the Christmas Tree Festival at St Peter’s Church. The Bowls Club hosted the group’s Christmas evening get-together to celebrate the success in the 2024 Yorkshire in Bloom (YiB) competition. The YiB Gold Award sign for the Station was still awaited. As part of Brew Monday Day some members would attend an event hosted by Yorkshire Coast Community Rail Partnership at Bridlington Station.

(b) SRA – A recent energy efficiency survey of the SRA building had resulted in the provision of a Non-Domestic Energy Performance Certificate with an energy rating of C. The Committee was considering the recommendations over the next few months.

Grants have been obtained to purchase equipment to help continue to keep the pitches in good condition.

All toilets in the SRA building were to be refurbished. A seating area had been created adjacent to the bar. The area was an alternative space when the hall was in use.

To help stop the problem of dog fouling on the sports field, the Committee was considering introducing ‘dogs on leads only’. There was an opportunity to include such a restriction early next year as part of the Public Space Protection Order review in the new year.

The re-vamped quiz had proved popular, the Christmas Fayre was a great success, and the Christmas Festive Food Party was well attended, with requests for similar events at Easter and in the Summer.

Starting next year on alternate Wednesday mornings, Tychy Tea would be at the SRA to offer IT support to villagers who needed help and advice. This would run alongside the Coffee Morning Group.

The Committee was to consider producing a calendar of events covering the different organisations in the village to avoid, as far as practical, events occurring simultaneously. It was noted that the Bulletin team had been collating an events calendar for some time. There was also an opportunity to use the events calendar on the Community website.

(c) Pond – The annual clearing of the pond had been completed.

(d) Book Exchange – The Exchange continued to be proving popular and well used.

24/309 Speeding through the Village – The Council was to consider the purchase of portable ‘flashing speed signs’ using the Police and Crime Commissioner (PCC) Speed Indicator Device (SID) Grant Scheme, where the PCC would match fund alongside Parish and Town Councils at 50% up to £5,000. The latest grant scheme ended on the 31st March, 2025. A proposal for six locations to site the portable signs was to be sent for consideration by East

Riding of Yorkshire Council's Traffic Management.

24/310 Risk Register – Resolved – To accept the revised Register

24/311 Footpath/cycle way from Cranswick to Hutton – Resolved – to form a Working Group to take the project forward

24/312 Centenary Wood – Cllr Poolford had made enquiries to three suppliers for replacements trees.

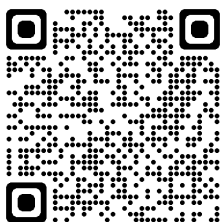

24/313 Play Area – Cllr Thompson reported that the giant swing was to be completed on 19th December 2024.

24/314 Garden Allotments – There were five vacant plots. All rent had been received.

24/318 The Bulletin – Topics for the next Edition: (a) Ducks on the pond, (b) Allotments and (c) Access to Rights of Way footpaths for people with disabilities. The deadline for articles was the 10th January, 2025.

24/319 Future Meeting Dates –The 2025 meeting dates were as follows: Ordinary meetings: 22 January, 26 February, 26 March, 23 April, 28 May, 25 June, 23 July, 24 September, 22 October, 26 November, 17 December. Annual Council meeting and Annual Parish Meeting: 28 May.

The Moonlight Unicorn

Have you ever heard about the Moonlight Unicorn? There are many different species of unicorn but the Moonlight one is the rarest, it has only ever been seen once. If you want to read more stay to this text and read more.

Also, it is a Moon grey colour. It is ten years old and is a Moon tattoo. You would find it at night near the Moon unless it jumps into your bedroom window at night. It has a teal very nice bushy tail. Furthermore, the Moonlight Unicorn can fly it also has delicate feathers and teeth made out of shiny diamonds. She has bright purple hooves. It blends in with the moon.

The Moonlight Unicorn has two houses: 8 Walgate Park and 4 Moon Drop Drive. She sometimes hides in caves to get away from the sunlight when it's not close to its two homes. Furthermore, the two houses are very far away from each other.

The Moonlight Unicorn is very shy that's why she only comes out at night

but she is kind as well. It sometimes gets aggressive when it thinks its babies are in danger.

Furthermore, she eats moon pie, moon pasta bake and moon cheese. Never ever give the Moonlight Unicorn human food. It could poison them.

Also, their babies look exactly like their Mum's. However, if they are boys they look exactly like their father. If they have one. Most do not have a father. They are very lucky if they have a father because there is not very many of them out there.

Furthermore, if you ever see the Moonlight Unicorn do not tell anybody or do not stroke it because it could attack you. It is very shy. Be Careful.

REVIEW OF PUBLIC SPACES PROTECTION ORDERS

There are local laws in the East Riding, known as '**Public Spaces Protection Orders**'.

These include:

- having to clear up after your dog if it fouls on land in the open air which the public has access to;
- certain areas where dogs are not allowed, such as play parks, school grounds, and some beaches during summer;
- areas where you must keep your dog on a lead, for example, certain cemeteries, churchyards, and promenades during summer.

It is an offence to breach a Public Space Protection Order, and you could be issued with a **fixed penalty notice of £75**.

They always ask that dogs are kept under close control at all times when out on walks.

The East Riding of Yorkshire County Council (ERYC) will be updating the Public Spaces Protection Order this year and our Parish

Council is considering whether to request 'a variation' in relation to dog fouling.

The current order states:

'If within the Parish of Hutton Cranswick a dog defecates at any time on land to which the public or any section of the public has access, on payment or otherwise, as of right or virtue of express or implied permission and a person who is in charge of the dog at the time fails to remove faeces from the land forthwith, that person shall be guilty of an offence'.

And separately there is a Schedule 1 Dogs Exclusion: 'A person in charge of a dog shall be guilty of an offence if, at any time, he/she takes the dog onto, or permits the dog to enter or to remain on:

- Cranswick Green children's play area
- Hutton Cranswick Primary School'

Sadly, there has been a noticeable increase in dog fouling and whilst not wishing to ban dogs from certain areas, the Parish Council will be seriously considering requesting the inclusion of the SRA in Schedule 1 when the Order is being updated.
